

AIHA-GLS Nominations for 2012 – 2013 Officers and Directors

Candidate for the Position of President-elect

Name

John R. Moore III, MS, CIH

Certifications

CIH

Current Employer

Georgia Power

Local Section/National Membership Status

Member of AHIA and GLS AHIA

Local Section Offices Held

None in AIHA. *John has most recently served on the board for SEM Link Inc., an organization promoting science, engineering, and math to students. He previously served on boards for the American Association for Blacks in Energy, National Urban League Young Professionals and NSBE in Ohio and North Carolina.*

Brief Overview of Education/ Experience:

At Georgia Power John is a Senior Industrial Hygienist responsible for developing and maintaining industrial hygiene programs to ensure compliance with occupational health regulations and guidelines. He has held various positions at Georgia Power in the Environmental Affairs Department, and in the Safety and Health Organization. He assists plants and other facilities in the recognition, evaluation, and control of health hazards. He has several years of experience in different industries as a consultant and industrial hygienist, with the government, private industry, and in the Research and Development field. John holds a Bachelor of Science degree in Industrial Hygiene and Safety from Saint Augustine's College and a Masters' degree from the University of Cincinnati in Environmental and Industrial Hygiene.

What I would do to enhance the Local Section:

As President Elect John will work to understand the needs of the IH professional and address those needs through networking and education events. He will also encourage students and new IH professionals to participate and have a voice in AIHA. He will represent and express concerns at the local section level to those at the national office. John has a proven record as a leader in his company, other organizations and in his community.

Candidate for the Position of Secretary

<u>Name</u>	Della Ridley, CIH, CSP
<u>Certifications</u>	CIH, CSP
<u>Current Employer</u>	H,S,E Consultant
<u>Local Section/National Membership Status</u>	Della has been an active member of AIHA and the GA Local Section for 30 years, and is one of GLS' longest-standing members. She helped developed some of our initial operating procedures.
<u>Local Section Offices Held</u>	Current Secretary, Past Secretary and Treasurer: GA Local Section
<u>Brief Overview of Education/ Experience:</u>	Della recently retired from Abbott (formerly Solvay Pharmaceuticals) where she held the position of Environmental, Health and Safety Manager. Prior to joining Solvay, she held similar positions at Safety-Kleen and Lockheed. B.A. in Chemistry from LaGrange College.
<u>What I would do to enhance the Local Section:</u>	As local section secretary, I will continue the work of previous officers and strive to make continuous improvements, by maintaining communications with members, responding to member requests, completing local section recordkeeping, and arranging quality meetings.

Candidate for the Position of Treasurer

<u>Name</u>	Pat Brogan
<u>Certifications</u>	CIH, ROH
<u>Current Employer</u>	PAB Consulting, LLC
<u>Local Section/National Membership Status</u>	Local Section/National Membership Status: Local Section member since 2000/ National member since 1981
<u>Local Section Offices Held</u>	Georgia LS Treasurer; MIHS President, Treasurer, Director
<u>Brief Overview of Education/ Experience:</u>	MS in Occupational and Environmental Health Sciences and Ph.D. in Instructional Technology from Wayne State University, Detroit, MI. Over thirty years in industrial hygiene field with Clayton Environmental Consultants, Ford Motor Company, Wayne State University, Golder Associates, Inc.
<u>What I would do to enhance the Local Section:</u>	I have been Treasurer for the last 2 years. During that time, I have more clearly defined the responsibilities of the Treasurer within the Georgia Local Section. I have instituted a budget process for the Board. I would like to continue in this office for one more year.

Candidates for the Position of 1st-Year Director (2-yr Term)

<u>Name</u>	Nicole L. Ivers, CIH
<u>Certifications</u>	CIH
<u>Current Employer</u>	CDM Smith
<u>Local Section/National Membership Status</u>	Nicole has been a member of national AIHA since 2004, the Michigan chapter (MIHS) from 2004-2005, and GLS since 2006. Nicole was elected to the Board of Directors for the Michigan local chapter (MIHS) of AIHA before moving to Atlanta in 2005. She was also the Vice-President of the Wayne State Student Industrial Hygiene Association from 2004-2005. Nicole has spent the last 2.5 years as the Committee Chairperson of the Health and Safety Committee for the Georgia Association of Water Professionals where one of her main responsibilities was obtaining speakers for each of the 4 annual conferences.
<u>Local Section Offices Held</u>	
<u>Brief Overview of Education/ Experience:</u>	Nicole has a M.S. in Occupational and Environmental Health Sciences (Industrial Hygiene) from Wayne State University. While at Wayne State and upon graduation, she received the 3M Industrial Hygiene Scholarship (2004) and was awarded the "Outstanding Student of the Year" award, as well as the "Class of 2005 Tope Grade Point" award (2005). Nicole is currently a Health and Safety Manager and Certified Industrial Hygienist with CDM Smith. She assists with the implementation of CDM Smith's health and safety program as well as providing oversight and industrial hygiene services on construction, demolition, and hazardous waste/remediation projects. She also provides health and safety training, writes and reviews site-specific health and safety plans (HASPs), creates Activity Hazard Assessments (AHAs), and records and documents incident reports and investigations. She has given numerous technical presentations on various health and safety topics in locations from Georgia to the Middle East.
<u>What I would do to enhance the Local Section:</u>	As a Director for the GLS, I would continue the hard work and commitment by all those involved in GLS. Having been active in professional organizations previously, I understand the commitment it takes to provide interesting and pertinent speakers for meetings, promote membership, and develop the benefits one receives through participation in GLS. Through my 11 years of varied experience in industrial, municipal, and construction, I would hope to bring new contacts and opportunities for speakers to the group.

Candidates for the Position of 1st-Year Director (2-yr Term)

<u>Name</u>	Brian S. Muller, MSPH, CIH, CSP, CHMM
<u>Certifications</u>	CIH, CSP, CHMM
<u>Current Employer</u>	The General Electric Company
<u>Local Section/National Membership Status</u>	Brian has been an active member of the National AIHA since 2002 and has been an active member on both the Alabama (2002-2009) and Georgia (2009 to present) Local Sections. Brian has not previously held office with the GA Local Section. However, Brian has served as a Board Member with the Alabama Society of Hazardous Materials Managers and is currently serving on the Board for the Georgia EHS Conference.
<u>Local Section Offices Held</u>	
<u>Brief Overview of Education/ Experience:</u>	Brian has a BS in Environmental Biology from Georgia Tech and a MSPH in Industrial Hygiene from the University of Alabama at Birmingham. Brian has over 17 years of experience as an EHS professional and has worked in a variety of industries including steel, chemical, automotive, and beverage manufacturing, hazardous waste management, environmental remediation, and information technology. He is currently the Global EHS Leader for The General Electric Company – Global Infrastructure Services.
<u>What I would do to enhance the Local Section:</u>	Throughout my career I have held a true passion for the field of Industrial Hygiene and the EHS field as a whole. I firmly believe in the mission of the GA AIHA to promote, protect, and enhance industrial hygienists and other occupational health, safety and environmental professionals in their efforts to improve health and well-being of workers, the community, and the environment. I feel that my education and experience with a focus on emerging issues and outreach will benefit the organization and help to promote the profession. If elected I would support our Section Officers towards accomplishing the mission of the GA AIHA. I appreciate your consideration to have the opportunity to serve as Director for the GA AIHA Local Section.
